

Ticket #001 — Department Folder Access Issue

Ticket Information

Ticket ID: INC-001

Category: Access / Permissions

Priority: Medium

User: Carina Steffans-Lab

Department: HR

System: Active Directory / File Access

Issue Description

User reported being unable to access the HR department folder.

Investigation Steps

1. Verified the user account exists in Active Directory.
 2. Reviewed user group membership.
 3. Confirmed Carina Steffans-Lab is a member of:
 - HR-Users
 4. Reviewed NTFS permissions on the HR shared folder.
 5. Confirmed HR-Users has assigned permissions.
-

Findings

The user account was correctly associated with the HR department security group.

The HR-Users security group had the required permissions assigned to the HR folder.

Resolution

Verified Active Directory group membership and confirmed proper folder access permissions were configured.

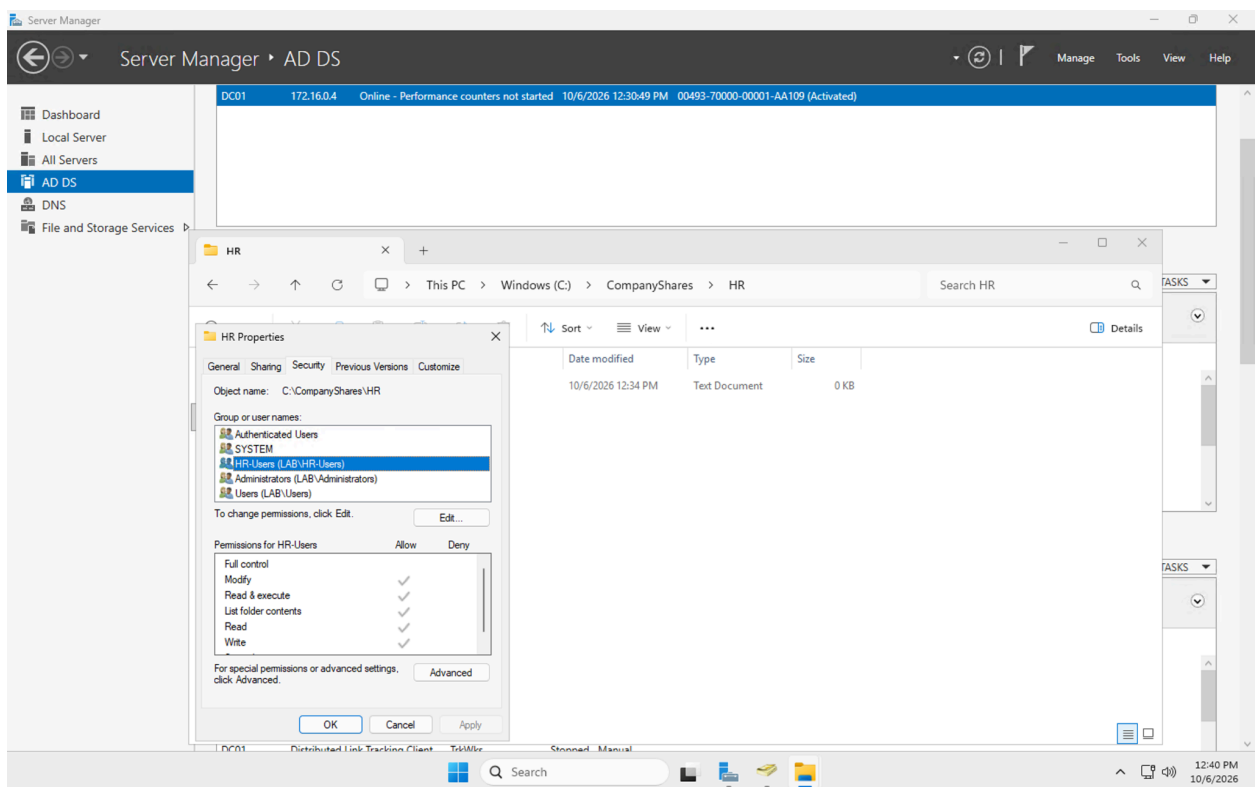

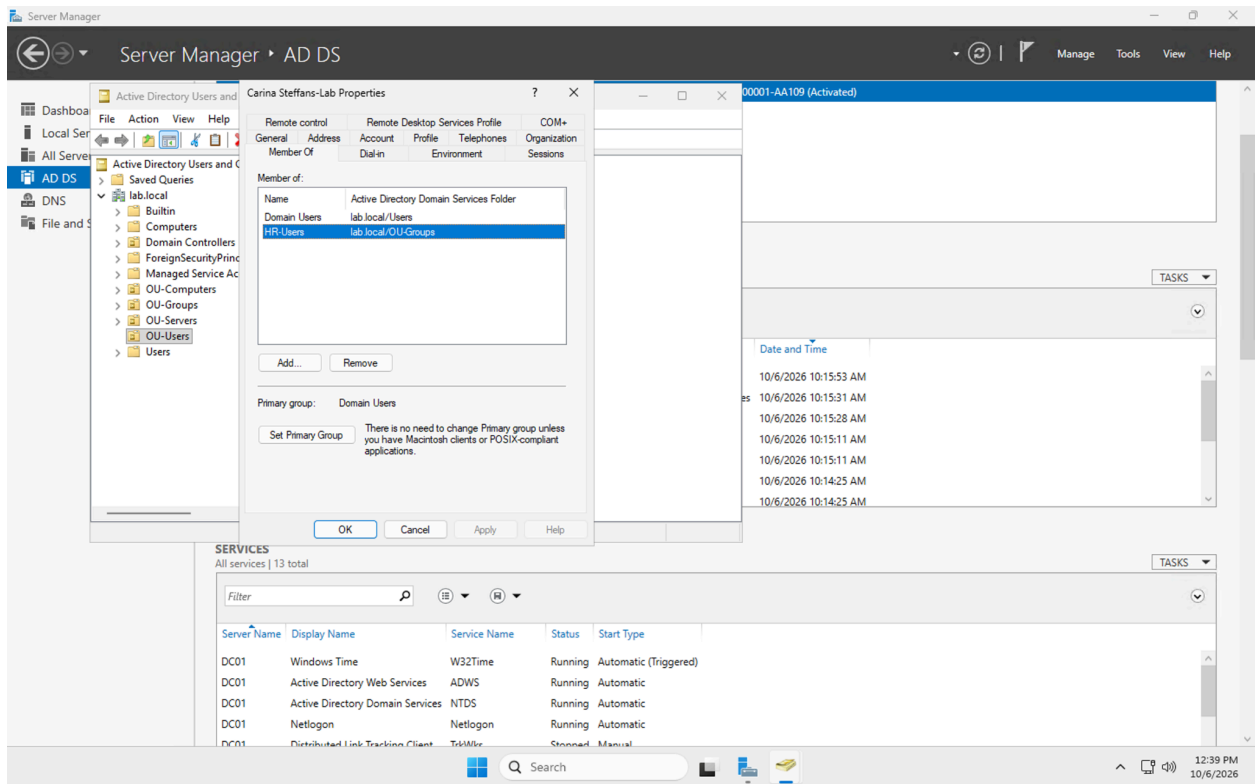

Validation

Confirmed:

- User identity configuration was correct.
 - Security group membership was correct.
 - Folder permissions aligned with the user's department role.
-
